Dr. Diana Isaacs, is an Endocrinology Clinical Pharmacy Specialist. She serves as the Co-Director of Endocrine Disorders in Pregnancy and the Director of Education and Training in Diabetes Technology at the Cleveland Clinic Endocrinology and Metabolism Institute. Diana earned her bachelor's degree in chemistry from the University of Illinois at Chicago, Doctor of Pharmacy Degree from Southern Illinois University Edwardsville (SIUE) and completed a pharmacy practice residency at the Philadelphia Veterans Affairs. Dr. Isaacs holds board certifications in ambulatory care, and advanced diabetes management. She served on the American Diabetes Association (ADA) Professional Practice Committee from 2020-2023, the committee that updates the ADA Standards of Care. She is a National Board Member of the Association of Diabetes Care and Education Specialists (ADCES). She co-hosts a podcast titled "Diabetes Dialogue: Technology, Therapeutics and Real-World Perspectives". She was the ADCES Diabetes Care and Education Specialist of the Year in 2020 and inducted into the SIUE Alumni Hall of Fame in 2022 for her far-reaching contributions in diabetes care. She recently was selected as the ADA 2026 Outstanding Educator in Diabetes Award.
